SUPPLEMENT TO

REPORT NO.

- In early August 1950, a former German Air Force officer who lives in the Soviet Zone of Germany asked to report to the Lain Administration of German Volkspolizei in Adlershof (N. 53/Z 94). His personal data, particularly his assignments in the air force, were noted. He was told that these data were needed because the table of organization for the air arm of the Volkspolizei would be published on 1 November 1950. Upon saying that he was no longer interested in flying he was told that he had not been asked about his personal opinion.
- 2. A classified document seen at a VP headquarters in Brandenburg (# 53/Z 23) on 5 August 1950 stated that all former German Air Force members were to be reported to the Lain Administration of German Volkspolizei. The document mentioned that all police who had served with the air force would have to be released for special training in the immediate future.
- 3. A member of the VP said that there was a school in Niederfinov (N 53/V 18) for former German Air Force personnel now serving with the VP. A Soviet Air Force major is said to supervise this training.
- 4. On 9 August 1950 the VP unit in Meiningen (E 51/H 82) was told that the Wain Administration of German Volkspolizei (HVDVP) in Berlin-Niederschoenhausen is assigned to the limistry of the Interior and is comprised of 10 main departments, one of them being Lain Department L (Air Police) now being organized.
- 5. On 11 August 1950 it was learned that mil Frost from Stralsund-Parox (N 5/P LL) has recently been in Andershof (N 55/P 54) where he is organizing the German Air
- 6. Another source reported that ex-Oberbuergermeister Frost (SED) from Stralsund was appointed Inspector General of Aviation in the Soviet Zone of Germany. He is said to have his headquarters in Pecnemuende (N 55/P 83).
- 7. On 3 September 1950, a former German Air Force officer said that he and other air force officers had been asked by the Hauptabteilung Luftwaffe der Volkspolizei (Main Department for Aviation of German Volkspolizei (NAL) in Klietz (N 5) Y 96) to help organize a new air force. He also said that chief of the HAL was a Polizeirat Born (fmu), from Mieste (N 53/Y 35). **

* Comment. The Andershof mentioned was probably mistaken for Adlershof. 25X1A

** Comment. No information on the completed organization of VP air units has been received. The present report shows only that some sort of air arm seems to be in the initial stages of organization, and that former German /ir Force members are apparently being registered.
